

Public Notice
Neighborhood Meeting

Case No. 15-300-00003

The City of Goodyear Development Services Department has received an application from Mark Phillips with CCBG Architects on behalf of Compass Church, requesting an amendment to the Use Permit for a place of worship use for 9.6 acres located at the northeast corner of 161st Avenue & Van Buren Street. The proposed Use Permit amendment would remove the Emergency Vehicle Only restriction for the entrance at the northwest corner of the site and allow any vehicle to enter at this location.

A Neighborhood Meeting has been scheduled so that surrounding property owners can have an opportunity to learn more about the rezoning request, ask questions, or express any comments or concerns with the proposal.
